

Camp HONOR 2022 COVID Guidelines

Before Camp

- All volunteers, PCH staff, and campers are required to have their 2 COVID vaccines (booster not mandated but recommended)

During Camp

- Any person with covid symptoms will be sent home, we will not be using a “wait and see” method and having campers stay in the infirmary overnight with symptoms
- Infirmary staff will wear masks when interacting with anyone who is displaying any COVID like symptoms, regardless of other mask mandates
